

US House Committee on Ways and Means Approves US-Taiwan Expedited Double-Tax Relief Act

1 December 2023

Report from IBFD Tax Treaties Unit

On 30 November 2023, the United States House Committee on Ways and Means unanimously approved the US-Taiwan Expedited Double-Tax Relief Act (USTEDRA), as amended by the amendment in the nature of a substitute. The USTEDRA was ordered favorably reported to the House of Representatives during the markup consideration of the bill (H.R. 5988).

The [amendment in the nature of a substitute](#) was passed by a voice vote prior to the vote on the bill. For previous reporting on the legislation, see [US Senators Endorse US-Taiwan Legislative Package on Double-Tax Relief \(30 November 2023\)](#).

Further developments will be reported as they occur.
