

# Netherlands Council of Ministers Authorizes Signing of Tax Treaty with Kyrgyzstan

8 November 2023

Report from IBFD Tax Treaties Unit

On 3 November 2023, the Netherlands Council of Ministers authorized the Minister of Foreign Affairs to sign an income tax treaty with Kyrgyzstan. The Council of Ministers had already approved the signing of the tax treaty on 7 September 2018. However, the OECD minimum standards have since been included in the treaty text and therefore, it was recently submitted again for approval. The treaty will only be applicable to the European part of the Netherlands. Further developments will be reported as they occur.

Treaty texts are published in the Treaties collection on *IBFD's Tax Research Platform*, as available.
