

# Nordic Countries Sign MoU on Automatic Exchange of Information

7 September 2023

Report from IBFD Tax Treaties Unit

The Nordic countries signed a Memorandum of Understanding (MoU) on automatic information exchange during the Nordic Agenda meeting, held in Kiruna from 30 to 31 August 2023, with the intention of increasing the cooperation between their tax authorities. The goal is to facilitate the exchange of tax related information, including pensions, income, interest and royalties. The agreement also considers the potential inclusion of digital business models or cryptocurrency trading for future tax filing. Further developments will be reported as they occur.
