

Russian Federation Council Approves Suspension of Certain Provisions in 38 Tax Treaties with 'Unfriendly' States

14 December 2023

Report from IBFD Tax Treaties Unit

On 13 December 2023, the Russian Federation Council (the upper chamber of the Russian parliament) approved the draft law on the suspension of certain provisions of international tax treaties. This follows the Russian President's 8 August 2023 signing of Decree No. 585 on the temporary suspension of specific tax treaty provisions for 38 tax treaties (see [Russia Temporarily Suspends Certain Provisions of 38 Tax Treaties with 'Unfriendly' States \(8 August 2023\)](#)). In order for the suspension of treaty provisions to be ratified by Russia, the law still needs to be approved and signed by the President. Further developments will be reported as they occur.
