

President Signs Bill to Implement VAT Data Reporting Obligation for Payment Service Providers

18 December 2023

Report from Filip Krajcuska, Associate, IBFD

The President has signed a bill introducing amendments to the Value Added Tax Law implementing the [Amending Directive to the VAT Directive \(2020/284\)](#).

For previous reporting and details, see [Parliament Adopts Bill to Implement VAT Data Reporting Obligation for Payment Service Providers \(6 December 2023\)](#).

The bill, signed on 14 December 2023, must be published in the Official Gazette to become effective.

The status of the bill and the full text can be found [here](#) (in Czech only).

Further developments will be reported in due course.
