

Parliament Approves Increase of Contribution on Surplus Market Revenues of Electricity Producers

1 June 2023

Report from Andreas Perdelwitz, Principal Associate, IBFD

The lower house of the parliament (*Nationalrat*) has approved a draft bill that increases the contribution on surplus market revenues of electricity producers. The draft bill provides for a reduction of the current price cap of EUR 140 per MWh to EUR 120 per MWh as of 1 June 2023. For details, see [Austria to Increase Contribution on Surplus Market Revenues of Electricity Producers \(16 May 2023\)](#).

The bill passed in the Nationalrat on 25 May 2023 but still requires approval by the Federal Council (*Bundesrat*).
