

Multilateral Instrument (MLI) – France Publishes French Synthesized Text of France-Mexico Tax Treaty

22 June 2023

Report from IBFD Tax Treaties Unit

The French government recently published the French synthesized text of the [France - Mexico Income Tax Treaty \(1991\)](#), displaying the modifications made to the treaty by the MLI.

France and Mexico deposited their instrument of ratification of the MLI on, respectively, 26 September 2018 and 15 March 2023. The MLI therefore entered into force for France on 1 January 2019 and will enter into force for Mexico on 1 July 2023.

France expanded the application of the Multilateral BEPS Convention on its existing treaties on 22 September 2020 (see [Multilateral Instrument \(MLI\) – France Expands Application of MLI on Existing Treaties \(23 September 2020\)](#)).

Unless stated otherwise in the synthesized text, the provisions of the MLI will generally have effect with respect to the [France - Mexico Income Tax Treaty \(1991\)](#):

In France and Mexico:

- with respect to taxes withheld at source on amounts paid or credited to non-residents, where the event giving rise to such taxes occurs on or after 1 January 2024; and
- with respect to all other taxes levied by a contracting state, for taxes levied with respect to taxable periods beginning on or after 1 January 2024.

The purpose of the synthesized text is to facilitate the understanding of the application of the MLI but it is not in itself a source of law.
