

# Angola and Czech Republic Express Interest in Concluding Tax Treaty and IPA

27 February 2024

Report from IBFD Tax Treaties Unit

On 21 February 2024, Angola and the Czech Republic signed a memorandum of understanding (MoU), in Prague, which serves as a foundation for further contractual arrangements between the two countries. The MoU lays the basis for potential agreements including a tax treaty, an investment protection agreement (IPA) and a mutual cooperation agreement to facilitate collaboration in various areas of common interest such as trade, security, culture and education. Further developments will be reported as they occur.

Treaty texts are published in the Treaties collection on *IBFD's Tax Research Platform*, as available.
