## Multilateral Instrument (MLI) – Finland Publishes Updated Finnish and Swedish Synthesized Texts of Finland-Slovenia Treaty

9 January 2024

Report from IBFD Tax Treaties Unit

The Finnish Ministry of Justice recently published updated versions of the Finnish and Swedish synthesized texts of the Finland - Slovenia Income Tax Treaty (2003), displaying the modifications made to the treaty by the MLI and specifying additional effective dates with Slovenia. These documents were prepared in consultation with the competent authority of Slovenia and represent their shared understanding of the modifications made to the treaty by the MLI.

The publication of the updated texts follows Finland's deposition of a notification under article 9 of the MLI on 27 June 2023 (for previous reporting, see Multilateral Instrument (MLI) – Finland Deposits Notification Subsequent to Ratification (29 June 2023)).

Finland and Slovenia deposited their instrument of ratification of the MLI on, respectively, 25 February 2019 and 22 March 2018. The MLI therefore entered into force for Finland on 1 June 2019 and for Slovenia on 1 July 2018.

Slovenia deposited a notification subsequent to ratification on 23 March 2023 (see Multilateral Convention (MLI) – Slovenia Deposits Notification Subsequent to Ratification (24 March 2023)).

Each of the MLI provisions could take effect on different dates, depending on the types of taxes involved (taxes withheld at source or other taxes levied) and on the choices made by Finland and Slovenia in their MLI positions (for earlier reporting, see Multilateral Convention (MLI) – Slovenia Publishes Updated English and Slovenian Synthesized Texts of Finland-Slovenia Treaty (3 January 2024) and Multilateral Convention (MLI) – Finland Publishes Finnish and Swedish Synthesized Texts of Finland-Slovenia Treaty (21 October 2020)).

For more details, check the synthesized text on IBFD's Tax Research Platform: Finland - Slovenia Income Tax Treaty (2003) (English MLI synthesized text 2019).

The purpose of the synthesized text is to facilitate the understanding of the application of the MLI but it is not in itself a source of law.
